## **Willie Mount Fact of the Day #3**

# **Willie Mount Voted To Tax the Food You Eat and Water You Drink!**

Most decent people agree that taxing food and water is a terrible idea. But not State Senator Willie Mount (D-27). She voted twice to slap a hefty sales tax on every morsel on your dinner plate.

In fact, Mount supported the massive 2002 food tax that hiked Louisiana's grocery and water bills by \$455 million dollars. That's \$404 for every family of four!

Willie Mount had no problem slapping taxes on the most basic of necessities. What other Louisianans will she tax next?

**Charles Boustany signed the Taxpayer Protection Pledge  
to oppose new taxes.**

**Willie Mount has refused to sign the Pledge. Just which  
tax does Willie Mount plan to raise now?**
