Colorado TABOR Fact of the Day Referendum D: A \$2.1 Billion Blank Check

Supporters of Referendum D have been touting expansions in health care, transportation, and education as reason to allow the state government to take on \$2.1 billion in debt.

What they fail to mention is...

Referendum D is not a constitutional amendment; therefore, nothing requires tax and spenders to keep this promise. The fact is the proposed funding options are merely suggestions and with a simple vote of the legislature billions of tax dollars can be diverted anywhere at anytime.

Politicians have failed to spend responsibly in the past and now big spenders want to encourage bad behavior by sending the legislature a blank check.

On November 1st, Vote No on Referenda C and D!

Americans for Tax Reform (ATR) is a non-partisan coalition of taxpayers and taxpayer groups who oppose all federal, state and local tax increases. For more information or to arrange an interview, please contact Chris Butler at (202) 785-0266 or at cbutler@atr.org.
