Colorado TABOR Fact of the Day Even Under TABOR, Government Spends More

On November 1st, Coloradans will vote on Referenda C and D and will decide on whether to allow state government to keep ALL excess tax revenues beyond the spending limit set by the Taxpayer's Bill of Rights.

Make no mistake-- passage of these measures will result in a tax increase of over \$3.6 billion.

Despite claims of withering government coffers under TABOR, Colorado has *doubled* government spending over ten years.

The problem is not a lack of government spending- It is time for the big spenders in Denver to reprioritize spending.

If government spending can double with TABOR in place, what would the picture of skyrocketing government spending without TABOR look like?

Colorado voters must vote NO on Referenda C and D!

Americans for Tax Reform (ATR) is a non-partisan coalition of taxpayers and taxpayer groups who oppose all federal, state and local tax increases. For more information or to arrange an interview, please contact Chris Butler at (202) 785-0266 or at cbutler@atr.org.
