Supreme Court Fact of the Day #1: Resounding Support for Judge Alito from State Legislators Across the Country

Washington, DC- Nearly 450 state legislators across the country have made their voices heard as they have signed an open letter to the U.S. Senate calling on them to quickly approve Judge Samuel A. Alito, Jr's nomination to the Supreme Court. The letter also demands that the Senate move forward on an up or down vote in a timely manner and to reject all calls for a filibuster.

The legislators cover 48 states with more letters coming in each day. Several notables include Pennsylvania with 93 and Florida with 27 signers, respectively.

Continuing with its strong support for Judge Alito, ATR has also submitted draft resolutions to all the states advocating Judge Alito's confirmation to the Supreme Court. To view the letter and its signers, visit <http://www.atr.org/state/alerts/index.html>.

Americans for Tax Reform has called on the Senate to meet its constitutional obligations and ensure a speedy confirmation process with an up or down vote on all judicial nominees.
