***** Vote Alert: Center for Fiscal Accountability Urges Opposition to H.R. 4314, Debt Ceiling Increase*****

*Center for Fiscal Accountability WILL RATE a vote against
the debt ceiling increase*

The Center for Fiscal Accountability urges all Members of the U.S. House of Representatives to vote “no” on H.R. 4314, which would increase the statutory limit on the national debt by \$290 billion, from \$12.104 trillion to \$12.394 trillion.

After months of fiscal profligacy on the backs of the American taxpayer, Congress is now rushing to bail itself out for their spendthrift at the last minute, while continuing to spend billions of dollars in the other bills under consideration today.

Taxpayers across the country are dealing with lower bottom lines and smaller paychecks. They do not have the option of expanding their household budgets to support irresponsible spending with careless abandon, Congress should hold itself to the same standards, and rein in its wasteful spending.

**Taxpayers deserve better –
vote “No” on the debt ceiling increase in H.R. 4314!**
