

AMERICANS
for TAX REFORM

December 11, 2015

Dear Senators,

Making the ban on Internet Access Taxes Permanent is a tremendous victory for all taxpayers. Thank you for including the Internet Tax Freedom Forever Act (ITFFA) in the Trade Facilitation and Trade Enforcement Act of 2015.

Harry Reid and his allies are trying to remove this victory for taxpayers.

To stop Harry Reid's war on taxpayers, I urge you to vote for cloture, against point of order, and for the "customs" bill as a whole with ITFFA included.

If you should have any questions or thoughts, please contact me or Katie McAuliffe, Federal Affairs Manager, by phone, 202-785-0266, or by email, kmcauliffe@atr.org.

Onward,

Grover Norquist
