Dear Congressmen,

Making the ban on Internet Access Taxes Permanent is a tremendous victory for all taxpayers. Thank you for including the Permanent Internet Tax Freedom Act (PITFA) in the Trade Facilitation and Trade Enforcement Act of 2015.

Harry Reid and his allies are trying to remove this victory for taxpayers.

To stop Harry Reid's war on taxpayers, I urge you to vote in favor of the "customs" bill as a whole with PITFA included. A strong showing in the House sends a clear message to your colleagues in the other Chamber.

If you should have any questions or thoughts, please contact me or Katie McAuliffe, Federal Affairs Manager, by phone, 202-785-0266, or by email, kmcauliffe@atr.org.

Onward,
