Dear Senators and Congressmen:

Americans for Tax Reform strongly supports the Permanent Internet Tax Moratorium as included in the Trade Facilitation and Trade Enforcement Act of 2015.

Making the ban on Internet access taxes permanent has been a longtime goal of American taxpayers.

**We urge you to fight all efforts by Senator Harry Reid and his allies to strip the Permanent Internet Tax Moratorium in the customs bill.**

I urge you to stand with taxpayers and ensure this provision stays in the customs bill.
