**TRANSLATION KEY**

"Work Together" = I will work together with my pen and phone.

"Climate change" = Yes, my \$380 "working dinner" at *L'Ambroisie* during the Paris climate conference was truly succulent, thank you.

"Gun" = Something the peasants cling to which Hillary wants to tax at 25%

"Common sense" = If you disagree, you are morally flawed.

"Jobs" = Where young adults used to spend their time instead of Mom and Dad's basement.

"Internet" = A grossly undertaxed and underregulated part of the economy my FCC will 'fix.'

"Recovery" = Thank you for not mentioning this is the weakest recovery on record.

"I" or "Me" = Center of the known universe.

"Investment" = Tax hike.

"Balanced" = Tax hike.

"Fair share" = Tax hike.

"Compromise" = You pay. I spend.

"Children" or "Grandchildren" = The people picking up the tab.

"1%" = How kids feel after a Michelle Obama school lunch.

"College" = Remember that time I tried to tax your 529 savings plan out of existence?

"Infrastructure" or "Roads and Bridges" = Let's raise taxes and funnel the money to bike paths and squirrel sanctuaries.

"Energy" = Something I have expended a great deal of to ensure the KeystoneXL is never built.

"Production" = I'll just go ahead and take credit for increased oil and gas production due to fracking I had nothing to do with.

"Education" = Let's pay off the teachers union at the expense of the kids, again.

"Affordable" = Unaffordable.

"Middle Class" = Those who are the direct target of seven Obamacare tax hikes, in violation of my "firm pledge."

"Responsibility" = Don't forget to send in your Obamacare "Shared Responsibility Payment" to the IRS.

"Insurance" = If you like your plan, you can keep your plan. My bad.

"God bless America" = With the start of tax season, good luck deciphering your Obamacare tax forms. Just remember, our handy acronym SLCSP means Second Lowest Cost Silver Plan. Enjoy!
